

The British Horse Society to The Pony Club Test Direct Entry – Approved Prior Learning

The table below outlines the British Horse Society qualification that would allow direct entry at The Pony Club Test level. Please note this allows entry at the level but members would still require a successful result to achieve that Test level.

Members are required to provide their BHS certificate of completion with their Area Representative / Centre Coordinator, District Commissioner / Centre Proprietor. Pony Club members do not need to be active BHS members.
