

Pony Club International Alliance Tetrathlon Exchange 2026

The Tetrathlon International in 2026 will be hosted by Australia. Competitors will be invited from the United States of America, New Zealand, the Republic of Ireland and the United Kingdom (including Northern Ireland).

Following the Championships in 2025, a longlist of athletes will be invited to apply for the selection process. Successful applicants will be invited to the selection weekend in February where the teams will be chosen by a panel of selectors. This allows time for these teams to fundraise for the trip.

Following the selection trial, teams for Australia will be chosen.
