Nine Sports To Try

Dressage: A horse and rider perform a series of movements set out in a test - the aim is precision and fluidity (and fun!).

Endurance: An equestrian sport based on controlled long-distance rides over open country - a true adventure!

Eventing: This exciting sport includes three phases: Dressage, Cross-Country, and Show Jumping.

Mounted Games: A fast-paced set of games that are played on ponies up to a height of about 148cm (14.2 h).

Polo: Like hockey on horseback! Alongside your team, you have to hit the ball into the goal with your polo stick.

Polocrosse: A combination of polo and lacrosse on horseback, using racquets to navigate a ball to the goal.

Pony Racing: The gateway for introducing Members to horse racing - fun, fast and fearless!

Show Jumping: A horse and rider jump a course of obstacles. The aim? Jump clear and inside the time limit.

Tetrathlon: A team and individual competition comprised of Shooting, Swimming, Running and Riding.

Reasonable Adjustment:

Want to try a sport but worried about accommodations? We have a range of adjustments that can be made to make Pony Club even more accessible!
