To provide an opportunity for all Members interested in Racing to compete against each other and to encourage a high standard of riding.

RULES

These Rules are made by The Pony Club Pony Racing Committee in conjunction with other Pony Club Committees.

The Pony Club Office provides administrative support. Queries relating to these rules should be directed to the Pony Racing Sports Officer at ponyracing@pcuk.org and copied to the Pony Racing Chairman at racingchairman@pcuk.org.

Every eventuality cannot be provided for in these Rules. In any unforeseen or exceptional circumstances, or any other issue in connection with Pony Club Pony Racing, it is the duty of the relevant officials to make a decision in a sporting spirit and to approach as nearly as possible the intention of these Rules. It is the competitors' responsibility to ensure that they are complying with the Rules of the competition.

NOTE: Rules which differ from those of 2024, or need special emphasis, appear in bold type (as this note). New rules are also side-lined.

PART 1 - GENERAL RULES FOR PONY RACING

1. DRESS

New equipment is not expected, but what is worn must be clean, neat, tidy and safe. The Competitor is ultimately responsible for complying with all Rules relating to Dress for the particular sport they are participating in.

a) Hats and Hair

Hair: Must be tied up and back (preferably in a hairnet) and securely, in a safe manner to reduce the risk of hair being caught and to prevent scalp injuries

Hats: Members must always wear a protective hat when mounted. Only hats to the following specifications are acceptable at any Pony Club activity. The Pony Club is consistent with fellow BEF (British Equestrian) Member bodies in its Standards for Riding Hats. Individual sports may have additional requirements with regard to colour and type. It is strongly recommended that secondhand hats are not purchased.

The hat standards accepted as of 1st January 2025 are detailed in the table below:

Hat Standard	Safety Mark
Snell E2016 & 2021 with the official Snell label and number	
PAS 015: 2011 with BSI Kitemark or Inspec IC Mark	
(BS) EN 1384:2023 with BSI Kitemark or Inspec IC Mark	
VG1 with BSI Kitemark or Inspec IC Mark	
ASTM-F1163 2015 & 2023 with the SEI mark	

Note: Some hats are dual-badged with different standards. If a hat contains at least one compliant hat standard it is deemed suitable to competition, even if it is additionally labelled with an older standard.

- ▶ For cross-country riding (at all levels) including Eventing, Arena Eventing, Tetrathlon and Hunter Trials, together with Pony Racing (whether it be tests, rallies, competition or training) and Mounted Games competitions, a jockey skull cap must be worn with no fixed peak, peak type extensions or noticeable protuberances above the eyes or to the front, and should have an even round or elliptical shape with a smooth or slightly abrasive surface, having no peak or peak type extensions. Noticeable protuberances above the eyes or to the front not greater than 5mm, smooth and rounded in nature are permitted. A removable hat cover with a light flexible peak may be used if required. It is strongly recommended that a jockey skull cap is worn for cross country riding over lower fences (less than 80cm).
- ▶ No recording device is permitted (e.g. hat cameras) as they may have a negative effect on the performance of the hat in the event of a fall.
- ▶ The fit of the hat and the adjustment of the harness are as crucial as the quality. Members are advised to try several makes to find the best fit. The hat should not move on the head when the head is tipped forward. The Pony Club recommends you visit a qualified BETA (British Equestrian Trade Association) fitter.
- ▶ Hats must be replaced after a severe impact as subsequent protection will be significantly reduced. Hats deteriorate with age and should be replaced after three to five years depending upon the amount of use.
- ▶ Hats must be worn at all times (including at prize-giving) when mounted with a chinstrap fastened and adjusted so as to prevent movement of the hat in the event of a fall.
- ▶ The Official Steward/Organiser may, at their discretion, eliminate a competitor riding in the area of the competition without a hat or with the chinstrap unfastened or with a hat that does not comply with these standards.

Hat Checks and Tagging

The Pony Club and its Branches and Centres will appoint Officials, who are familiar with The Pony Club hat rule, to carry out hat checks and tag each hat that complies with the requirements set out in the hat rule with an Pony Club hat tag. Hats fitted with a Pony Club, British Eventing (BE) or British

Riding Club (BRC) hat tag will not need to be checked on subsequent occasions. However, the Pony Club reserves the right to randomly spot check any hat regardless of whether it is already tagged.

Tagging is an external verification of the internal label and indicates that a hat meets the accepted standards. The tag does NOT imply any check of the fit and condition of the hat has been undertaken. It is considered to be the responsibility of the Member's parent(s) / guardian(s) to ensure that their hat complies with the required standards and is tagged before they go to any Pony Club event. Also, they are responsible for ensuring that the manufacturer's guidelines with regard to fit and replacement are followed.

For further information on hat standards, testing and fitting, please refer to the British Equestrian Trade Association (BETA) website: [British Equestrian Trade Association - Safety and your head \(beta-uk.org\)](http://beta-uk.org)

b) Footwear

Only racing boots (with a well-defined cut heel) may be worn with racing irons.

All racing boots MUST have a smooth, thin sole and well-defined (square cut) heel.

Only standard riding or jodhpur boots with a well-defined square cut heel may be worn. Plain black or brown half chaps may be worn with jodhpur boots of the same colour. Tassels and fringes are not allowed. No other footwear will be permitted, including wellington boots, yard boots, country boots, "muckers" or trainers. Boots with interlocking treads are not permitted, nor are the boots or treads individually.

Stirrups should be of the correct size to suit the rider's boots (see the Stirrup rule). Laces on boots must be taped for Mounted Games only.

Half chaps (black or brown) are permitted. Tassels are not allowed.

c) Dress

Riders must wear beige, white or cream jodhpurs, breeches or racing breeches (see Rule 10 - Sponsorship).

Silk/racing/cross-country colours are to be provided by the competitors, with long sleeves.

d) Body Protector Rule

A body protector is compulsory for all Pony Club Cross Country riding (including Arena Eventing) and Pony Racing activities whether it be training or competition. A body protector for these activities must meet BETA 2018 Level 3 Standard (blue and black label).

For general use, the responsibility for choosing body protectors and the decision as to their use must rest with Members and their parents. It is recommended that a rider's body protector should not be more than 2% of their body weight. When worn, body protectors must fit correctly, be comfortable and must not restrict movement. BETA recommends body protectors are replaced at least every three to five years, after which the impact absorption properties of the foam may have started to decline.

Air Jackets

If a rider chooses to wear an air jacket in Cross country or Pony Racing, it must only be used in addition with a normal body protector which meets BETA 2018 Level 3 standard (blue and black label). Parents and Members must be aware that riders may be permitted to continue after a fall in both competitions and training rides for Cross Country and / or Pony Racing if the First Aid provider has no concerns about their welfare. In the event of a fall, an air jacket must be fully deflated or removed before continuing, the conventional body protector must continue to be worn. Air jackets must not be worn under a jacket. Number bibs should be fitted over the air jacket loosely or with elasticised fastenings.

d) Medical Armbands / Cards

Medical armbands are advised if members are not accompanied by a responsible adult, including hacking on roads and are compulsory for Pony Racing and for Endurance rides.

Riders must wear their Medical Armbands at all times when mounted with the correct card enclosed.

These MUST be worn on the rider's arm or the shoulder protector/pad of their body protector.

e) Electronic Devices

Devices such as headphones, mobile phones etc. enabling another person to communicate with the rider are not allowed whilst the rider is competing.

No recording device is permitted (e.g. head / bridle cameras etc.).

f) Jewellery

The wearing of any sort of jewellery when handling or riding a horse/pony is not recommended and if done at any Pony Club activity, is done at the risk of the member/their parent/guardian. However, to stop any risk of injury, necklaces and bracelets (other than medical bracelets) must be removed, as must larger and more pendulous pieces of jewellery (including those attached to piercings) which create a risk of injury to the body part through which they are secured. For the avoidance of doubt a wristwatch, wedding ring, stock pin worn horizontally and/or a tie clip are permitted. It is recommended that stock pins are removed for cross country.

All equipment will be checked by an Official Tack Steward.

2. EQUIPMENT

Saddlery

New equipment is not expected, but what is worn must be clean, neat, tidy and safe.

It is the competitors' responsibility to ensure that their tack is in accordance with the rules and that they present themselves for inspection.

Any competitor who presents to the mandatory tack check in the wrong saddlery/equipment will not be allowed to race until they decide to re-present in the correct saddlery/equipment.

Any competitor who then changes their tack after the tack inspection will be disqualified from the race. The Official Steward has absolute discretion to forbid the use of any bit, gadget or spur which they consider to be cruel or misused.

Ponies must be turned out with well fitted and properly maintained saddlery. Badly fitting or unsafe tack may result in disqualification.

Any misuse of a bit/bridle will be reported to the DC/Centre Proprietor, Area Representative and Training Chairman. Any reported riders will be recorded and monitored.

a) Saddles – Type optional.

Racing Saddles 'made up'; (including the girth, irons, leathers and surcingle/overgirth – with a leather strap and buckle) measuring less than 16" (40.6cm) in length (from front arch to cantle) and weighing less than 3lb (1.36kg) are not permitted. If a Racing Saddle is used they must be used with a racing breastplate or girth.

b) Saddle Cloths

Any solid colour is permitted. Contrasting piping is permitted. Branch logos are allowed when competing for the Branch; logos must not exceed 200 sq. cm. This does not preclude the wearing of clothing for horses or riders that has been presented by sponsors of the Championships in the current or previous years.

c) Stirrups

Should be of the correct size to suit the rider's boots. They must have 7mm ($\frac{1}{4}$ ") clearance on either side of the boot. To find this measurement, tack checkers should move the foot across to one side of the stirrup, with the widest part of the foot on the tread. From the side of the boot to the edge of the stirrup should not be less than 14mm.

There are now many types of stirrups marketed as 'safety stirrups'. All riders must ensure that their stirrups are suitable for the type of footwear they are wearing and the activities in which they are taking part and that the stirrup leathers are in good condition.

There are no prescribed weight limits on metal stirrups, however with the advent of stirrups of other materials, weight limits are frequently given by manufacturers. Any person buying these stirrups, should comply with weight limits defined on the box or attached information leaflets. Neither the feet nor the stirrup leathers or irons, may be attached to the girth, nor the feet attached to the stirrup irons.

It is strongly recommended that the design of the stirrup chosen allows the foot to be released easily in the event of a rider fall.

Particular focus should be on ensuring that the boot and stirrup are the correct size for the rider taking part and used in line with the manufacturer's guidance.

For the avoidance of doubt, at Pony Club events:

- ▶ stirrups which connect the boot and the stirrup magnetically are not allowed

- ▶ Interlocking boot soles and stirrup treads are not allowed

Only racing boots (with a well defined cut heel) can be worn with racing irons or jodhpur boots/riding boots with stirrup irons may be worn. A combination of either will not be permitted.

Stirrups which include Metal/Metal type treads, including but not limited to those with protruding spikes and/or perforated grip features are NOT Permitted. Examples being:

d) A Surcingle/Overgirth (with a leather strap and buckle) and neck strap is mandatory as is an Irish martingale where no martingale is worn. Please see images of permitted martingales and breastplates.

If a breast plate is worn, ponies are to wear a neck strap also.

Permitted Martingales and Breastplates

A: Running Martingale	B: Hunting Martingale	C: Racing Breastplate	D: Bib Breastplate
E: Irish Martingale	F: Neck Strap	G: 5 point Breastplate	H: Standing Martingale*

Where ringed Martingales/Breastplates or Irish Martingales are used, rein stops are to be worn.

Note: * Standing Martingales may be attached only to the cavesson portion of the noseband fitted above the bit.

Not Permitted – Elastic Neck Collar

e) Bridles

For safety reasons leather bridles are recommended. Reins must be stitched to or fastened by a buckle or attached by a loop to the bit. They must not be attached by a billet.

The Micklem Multibridle is permitted.

Bitless bridles including hackamores are not permitted.

f) A Neck strap is mandatory as is an Irish martingale unless a running/bib martingale is worn, in this case they MAY be worn. Please see images of permitted martingales and breastplates.

g) Nosebands

Only one may be worn. Nosebands must be correctly fitted and should not cause discomfort. Nosebands must not incorporate chain or rope. Sheepskin nosebands are permitted. Nose nets are permitted during competition and warm-up. Nose nets must be discreet, black, white or brown and cover the nose only, leaving the mouth and bit visible.

If a Standing Martingale is worn, then a Cavesson noseband must be used. These are not permitted with a drop, Kineton or combination noseband.

h) Bit guards made entirely of rubber and smooth on both sides are permitted.

i) Competitors using saddlery and gadgets which are not allowed in the competition will be eliminated. Lungeing in side reins, but not bearing, check or balancing reins, is permitted.

j) No pony shall enter the Parade Ring or run in shoes which have protrusions on the ground surface other than calkins or studs on the hind limited to $\frac{3}{8}$ " in height. The parent/legal guardian is responsible for

ensuring that their pony is shod in accordance with the requirements of the Pony Racing Regulations. Ponies may race unshod.

k) Every pony running in a race shall carry a number cloth provided by the Organiser and the parent/legal guardian is responsible for ensuring it is worn so that the number is clearly visible and is the correct one for the pony. Parents/legal guardians are also responsible for ensuring that their ponies are properly saddled when they leave the parade ring.

l) It is the parent/legal guardian's responsibility to ensure the child and pony equipment meets the specifications required to compete.

m) The following are not permitted in any recognised pony race:

- ▶ whips
- ▶ spurs
- ▶ bandages
- ▶ nickel bits
- ▶ nickel stirrup irons
- ▶ blinkers
- ▶ hoods
- ▶ eyeshields
- ▶ eyecovers
- ▶ visors
- ▶ sheepskin/leather cheek pieces
- ▶ ear plugs
- ▶ nasal strips
- ▶ tongue ties
- ▶ Humane Girths
- ▶ seat savers
- ▶ hoof boots
- ▶ grass reins/balance support reins, split reins, bridge reins, Ernest Dillon reins, Market Harboroughs and side, running, draw or check reins (a side, running, draw or check rein is one which is attached to the saddle, girth, martingale or breast plate on the horse).
- ▶ the use of string, twine or cord in or round the horse's mouth is also not permitted.

Note: Due to a variety of girths available on the market now being referred to as humane girths, it was felt a description was required to specify the style/design of girth that was not permitted for Pony Club. The description is as follows:

A humane girth is described as having non-independent straps that will loosen if one of the straps were to break. Humane girths pose an increased

risk as many common designs may have complete girth failure if a single strap was to break. Humane girths are not permitted, whether during training or competition.

n) Bits

All synthetic bits must be black, brown or white. Bitless bridles including hackamores are not permitted.

Any unusual decoration of the horse with unnatural things, such as ribbons, flowers, glitter etc. in the mane/tail or applied to the coat is forbidden. Red bows in the tail are permitted for ponies that kick.

o) Spurs are not permitted in Pony Racing.

p) Whips are not permitted in Pony Racing. Any rider deemed to have used their reins in the manner of a whip may be disqualified from the race.

3. ACTION AFTER A FALL

As a training organisation we wish riders to be able to continue whenever possible. However, a rider must not be allowed to remount after a fall if there is any element of doubt as to their fitness, irrespective of the wishes of their parents, trainer, etc. Further participation may be possible following an examination by a medical professional.

4. HEAD INJURY AND CONCUSSION

If a person is diagnosed with a concussion, they must not ride or take part in any Pony Club organised activity that involves close contact/handling or riding of horses or ponies for 21 days. This may need to be extended if symptoms persist, on the advice of the treating doctor. All concussion must be reported to Head Office using the online accident report form or by email if it occurred outside of The Pony Club. Concussion advice should be followed without exception.

Head injuries and concussion can be very serious and life changing. Serious head injuries are usually obvious, but concussion can be very subtle. It may not be immediately apparent but should be taken very seriously. Recovery from concussion should be managed carefully.

This rule should be read in conjunction with:

- ▶ [The Pony Club Concussion Advice](#)
- ▶ [UK Government Concussion Guidelines](#)

Please contact safety@pcuk.org for further support and advice.

5. MEDICAL SUSPENSION

If a Member has been suspended from taking part in any activity/competition/sport for medical reasons, this suspension must apply to all Pony Club activities until such time the Member is passed fit by a medical professional to take part. It is the Member and parent/guardian's responsibility to ensure this rule is adhered to.

Medical letters are required, following a suspension for medical reasons, to allow a Member to take part in any activity again. The letter should be issued by either the hospital or specialist(s) involved in treating the injury, where appropriate.

6. UNSEEMLY BEHAVIOUR

Unseemly behaviour on the part of riders, team officials, or team supporters will be reported as soon as possible by the Official to The Pony Club Office. Offenders may be penalised by disqualification of the Branch or Branches concerned for a period up to three years. Any competitor who in the opinion of the Official Steward, or Organiser, has been extremely rude or aggressive towards any officials at a competition, or who has behaved in an aggressive or unfair manner to their horse will be disqualified.

7. PERFORMANCE-ENHANCING DRUGS

All performance-enhancing drugs are strictly forbidden and The Pony Club supports 100% clean sport.

a) Equine – Controlled Medication

It is essential for the welfare of a horse/pony that appropriate veterinary treatment is given if and when required. Some medication, however, may mask an underlying health problem so horses and ponies should not take part in training or competition when taking such medication and any Therapeutic Use Exemptions (TUE) should be confirmed in writing by a Vet.

For more information, please refer to the Welfare of Horses and Ponies at Pony Club Activities Policy, available on The Pony Club website.

b) Human

Performance-enhancing drugs are forbidden. The Pony Club supports the approach taken by the UK Anti-Doping Agency in providing clean sport. The Pony Club disciplinary procedures would be used in cases where doping

may be suspected including reporting to the UK Anti-Doping Agency.

c) Testing

All competitors should be aware that random samples may be taken for testing from both themselves and/or their horse/pony. The protocol used will be that of the relevant adult discipline.

Competitors and their horses/ponies at national or international level may be subject to blood tests in line with the Sports Council Policy on illegal and prescribed substances. All young people competing at these levels should be made aware of this

Reporting

- i. Anyone who has reasonable grounds for suspecting that a Member is using or selling an illegal substance must report their concerns to the District Commissioner/Centre Proprietor as soon as practicable. If there is an immediate risk to the health, safety or welfare of one or more Members then the Police must be informed as soon as possible. The person reporting their concerns must ensure that any material evidence is retained and should not influence any police investigation.
- ii. Upon receiving a report of suspected use or selling of an illegal substance, the District Commissioner/Centre Proprietor should carry out an immediate investigation of the incident and the circumstances in which it occurred, and then decide upon the appropriate action to be taken. This will include:
 - ▶ Informing the Member's parents/guardians
 - ▶ Informing The Pony Club Area Representative who in turn will inform The Pony Club Office
 - ▶ Informing the Police
 - ▶ Suspending the Member concerned while investigations are completed
 - ▶ Awaiting the completion of Police investigations and actions

8. DISQUALIFICATION

The Official Steward or Chief Judge may disqualify a competitor at any stage of the competition

- a. for dangerous riding, or

- b. if, in their opinion, the horse is lame, sick or exhausted, or
- c. for misuse of whip, spur or bit, or ill-treatment of the horse, or
- d. for any breach of the rules, or
- e. for unseemly behaviour, including bad language
- f. Any person who has been disqualified through the British Horseracing Authority or Pony Racing Authority (PRA), so long as their disqualification continues, shall not attend, enter, run, train, own or ride a Pony in any Pony Club Race Day. If any entry made by a person disqualified be mistakenly or inadvertently accepted, the same shall, despite such acceptance, be void and the Pony shall not be qualified to be entered or to start.

9. PROTESTS OR OBJECTIONS

Objections must be made in writing and addressed to the Organiser of The Pony Club Race Day. They must be accompanied by a deposit of £50. Protests or objections must be made not later than half an hour after the published Race Start Time.

10. SPONSORSHIP

In the case of competitors and horses, no form of advertising, and this includes a sponsor's name, may appear on the competitor's or horse's clothing and equipment at any Pony Club competition. This does not preclude the wearing of clothing for horses or riders that has been presented by sponsors of Pony Racing in the current or previous years. Sponsors at race days must not be business competitors of the main sponsors of the discipline and must be approved by The Pony Club Office.

Any advertising material that is used by sponsors, whether it be in the form of display banners or programme material, must be tasteful, and not inappropriate to the image of The Pony Club.

11. INSURANCE

The Pony Club 'Public and Products Liability Insurance' Policy includes cover for all the official Area Competitions and the Championships. Details of this insurance are available on The Pony Club website.

In the event of any accident, loss or damage occurring to a third party or to the property of a third party (including the general public and competitors) no liability should be admitted, and full details should be sent at once to The

Pony Club Office.

The Health and Safety and Legal Liability statements should be included in all event schedules.

HEALTH & SAFETY

Organisers of this event have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers and all the officials and stewards.

LEGAL LIABILITY

Save for the death or personal injury caused by the negligence of the organisers, or anyone for whom they are in law responsible, neither the organisers of this event or The Pony Club nor any agent, employee or representative of these bodies, nor the landlord or their tenant, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, cars, their contents and accessories, or any other person or property whatsoever. - ▶ Should the field be unable to pull up the Starter will continue to wave his flag and declare a false start which will be reciprocated by the Advanced Flag Operator.
- ▶ If the race is not started at the first attempt the field will regroup at the marker poles and a standing start to the satisfaction of the Starter will be effected by flag.
