1st	GRACE MILLER	SANDBORO SECRET WEAPON	ESSEX FARMERS	70	My 2025 season was brilliant with Sandboro (Harold) who had never raced before I got him in Oct 2024 . He's not the easiest pony, but he's gained lots of trust and now has found his thing in racing and jumping. I would like to say a big thank you to everyone that has helped me this season it wouldn't be possible without you. Can't wait for 2026 season and thank you to pony club for putting these races on.
2nd	CLARA CLARKE	DYKEBECK WILD LUPIN	BERKELEY SOUTH	64	This was Clara's first year of pony racing, she missed the first three races as she didn't turn 9 until 20th April and was very impatient indeed to be able to start racing. Her first race was at Wincanton 6 days after her 9th birthday! Lupin had never raced either, so winning their first ever race was a total surprise! It was clear though that both Lupin and Clara absolutely loved racing, sharing a serious need for speed! She led the table until the last race of the season, but to come 2nd against such experienced competitors, many of whom are many years older, is something to be very proud of indeed! Helping her team come 2nd on the teams leaderboard is also something Clara is very proud of. Next year she is very happy to be old enough to race at Ascot and Cheltenham, two of the races she had to miss out on in this season.
3rd	SASKIA JONES	DROUMLEAP RAINBOW LADY	WOODLAND	48	Saskia and Rainbow only had a few trips to the gallops together before their first race at Ascot. At the last trip Rainbow easily overtook two large event horses at gallop up a big hill and we thought we might have a winner on our hands! They went straight into the open race at Ascot and won, followed up by another win in the open at Cheltenham. They also had an exciting photo finish win at Bangor-on-Dee. Saskia has enjoyed this year very much and is looking forward to doing more racing in 2026 a bit wiser than she was this year. Saskia would like to thank her friends who helped train her and who came to watch her, but most of all thanks goes to Rainbow for being such a crazy fast banana who always tries her best.

1st	NEIVE O'SULLIVAN	LITTLE GALWAY GIRL	HAYDOCK PARK	78	What an amazing season, we've thoroughly enjoyed travelling around to PC fixtures between PTP fixtures this year! And great to see new fixtures for next season! Neives goal for 2025 was to win the 138cm series after coming second place last year. 4 wins and 3 second places has been a great achievement to securing the top spot if the table! Neives plans for 2026 are to do more PTP's and also do the Racecourse Series now that shes old enough.
2nd	ROSE GUNDRY	ELF	PORTMAN	52	This was Rosie's first season pony racing and what a great way to start, her first ride was a winner and she and Elf have been placed in all the races they completed in . Unfortunately Elf is now retired because of his Age but Rosie is very much looking forward to next season with a new pony. But will miss not having Elf as he is our unicorn racing pony. Rosie is very grateful to everyone who is involved in running such fabulous race days at such fantastic racecourses.
3rd	HECTOR HIRD	MYNYDDIR MYSTIQUE	LUDLOW	50	2025 was Hector and Misty's first racing season and they have absolutely loved it. 1st	GRACE PATEL	MAG EARLE	GRAFTON	58	Grace had an exceptional season, securing the 148cm pony racing season win for 2025 through her win at Cheltenham and second places at Haydock, Cheltenham, Ascot and Lingfield. Grace says: "I've had an amazing season with both my ponies, but especially with Maggie, placing in the winner's enclosure at every race, I've loved every second of it!" We owe a very special thank you to Graeme and Eliza McPherson as they so kindly chose us to continue Maggie's racing journey, we cannot thank them enough for providing us with the opportunity to continue making Grace's dreams to become a professional jockey come true. We are also so very thankful to the PRA for their continued support. Plans for 2026 are to continue racing; progress more and hopefully get to the racecourse series final.

=3rd	TALLULAH EDMUNDS	LISCUIB TWILIGHT	SADDLEWORTH & DISTRICT	30	Tallulah is thrilled with Liscuib Twilight's debut pony racing season - capped off in style with back-to-back wins at Bangor-on-Dee and Lingfield Park. The pair are already gearing up for the 2026 season!
=3rd	JACOB SHARPE	STAR	BERKELEY SOUTH	30	I have really enjoyed my first season in the 148s unfortunately my pony Star picked up an injury after Exeter so I was unable to finish the season.
