

PCIA VIRTUAL DRESSAGE TRAINING CHALLENGE

Organised by: United States Pony Club & The Pony Club UK

UK Teams kindly sponsored by Agria

We are pleased to be a part of an exciting opportunity for members to take part in an International Virtual Dressage Competition alongside other members from Pony Club International Alliance (PCIA) countries.

The PCIA Virtual Training Challenge will see teams participating in two rounds with the objective for each team to improve its score by taking on judges' feedback and practicing the test between round one and round two.

There are two classes available for which we are invited to send a team of four for each. Pony Club members can be nominated to take part if they meet the class eligibility below and will be selected by the Dressage Committee based on the submission of a scoresheet of the member riding the specified PC test.

Eligibility

Open to all riding members of PCIA member countries subject to age restrictions as outlined below. One team per PCIA country per class. Additional entries from Pony Club International Branches as individuals are welcome.

Classes and Tests

Class 1: Training Level

Eligibility: 14 years and under*

Dressage Test: [USDF Training Level Test 1 \(2023\)](#)
