

WHAT IS THE PONY CLUB & BRITISH EVENTING PARTNERSHIP?

Combining The Pony Club and British Eventing (BE) has never been easier! Together, we're reducing financial and logistical barriers to encourage broader sport participation and expand access for both Pony Club and BE Members.

What does this mean for you?

Pony Club Members can enter up to two BE competitions before joining BE. Similarly, BE Members will have access to Pony Club competitions, receiving priority booking for two events in selected areas!

We're also working together to avoid clashes with our fixture calendars - no more having to choose between one or the other.

Pony Club Members continue to enjoy a 40% New Member discount on British Eventing Introductory memberships.

So, what's the message? More opportunities, less barriers. In the words of Pippa Funnell, *'It's a win, win for everyone!'*
