

Vaccination and Microchip Checking

Competitor arrives on site with their horse(s).

Day Parking -
turn right into the Day Parking.

Overnight Stabling -
turn left into the Passport Checking Bay.

Please keep horses loaded unless removal is necessary on welfare grounds.

Competitor takes the passport(s) to the check in desk for review.

Vaccinations compliant with The Pony Club's Vaccination Rule.

Vaccinations **DO NOT** comply with The Pony Club's Vaccination Rule.

An 'approved' sticker is placed on the outside of the passport.

If this issue cannot be resolved with the correct passport presented, the horse must leave the site.

Scanners come to scan each horse in their transport for microchips.

For safety reasons, scanners may request horses to be unloaded to be scanned.

The scanned microchip matches the passport.

The scanned microchip **DOES NOT** match the passport.

Approval confirmed and declared on PC Results.

If this issue cannot be resolved with the microchip matching the passport, the horse must leave the site.

Day Parking -
Horse is cleared to enter the show ground.

Overnight Stabling -
Horse is cleared to enter the stabling/show ground.
